10th Medication Safety Conference

Programme 2017

Integrating Healthcare Systems and Patient Engagement

Keynote Speakers

Paul Abramowitz

Chief Executive Officer,
American Society of
Health-System Pharmacists, USA

“I am thrilled to once again be one of the keynote speakers for the Medication Safety Series. I look forward to an energizing session sharing ASHP’s ideas and experience in providing the highest-quality pharmacy education.”

Jeannell M. Mansur

Principal Consultant,
Medication Safety, Joint Commission
International, USA

“This Conference delivers the newest information on important medication safety and clinical pharmacy topics and presents an excellent opportunity to network with practitioners across the world with similar patient safety interests”
